Subject: Pristine Superfund site Reading, Ohio

Mr. Linnear / Mr. Palomeque: The attached correspondence outlines Duke Energy Ohio's assessment that the proposed Central Corridor Pipeline Project (Ohio Power Siting Board Case No. 16-0253-GA-BTX) will not have negative effects on the Pristine Inc. Superfund site at 410 Cavett Avenue in Reading, Ohio. Duke Energy Ohio is requesting a response from USEPA concerning this property. If you need additional information concerning the project, the docket in the case can be found at the following link: <http://dis.puc.state.oh.us/CaseRecord.aspx?Caseno=16-0253&link=DIVA>

Please contact me if you have questions.

Thank You

James Olberding, PMP
